

# Algebra II, Pre-Calculus & Calculus

## 2017-2018

**Teacher:** Ms. Grewe

**Email:** sgrewe@memphisk12.org

**Classroom Website:** <http://msgrewe.weebly.com>

**Welcome!** Math is an interesting, fun and challenging topic. Although you may feel a little nervous entering into an unfamiliar territory, you'll begin to feel comfortable before you know it. I believe that a successful class is built upon a foundation of mutual respect. With your cooperation, we will be learning a lot this year and having some fun along the way.

### **Classroom Expectations:**

1. Be on time to class. Being tardy is unacceptable and I will hold you accountable.
2. Have all materials ready when the bell rings. If you need to leave the classroom (locker, bathroom, etc...) you use a hall pass. You will receive 3 hall passes per semester; anything over 3 will be counted as a tardy.
3. Respect yourself and others.
4. Do not use profanity.
5. Listen to instructions the first time they are given.
6. No cell phones, no exceptions. If I see your phone, I'm taking it to the office.

**\*Note:** In addition to these expectations, all school rules will apply in the classroom. This includes cell phones, iPods and other electronic devices, and food and drink. Please see the student handbook for more information.

**Absences:** Students are expected to use the classroom webpage and/or classroom calendar in the classroom to access any assignments, homework or assessments missed due to an absence. All work is to be retrieved and made up **within two school days** or up to only half credit is available.

**Supplies:** Students are expected to come prepared each day with the following materials:

-Textbook and workbook

-Folder                    -Planner

-Pencils                    -Erasers

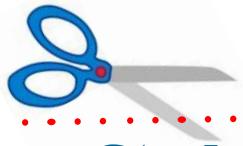

-Calculator (provided) **\*Note:** Students are responsible for the calculator and will have to pay for it if it is lost, stolen or damaged.

**Determination of Grades:** Quarterly grades will round up when the percentage is 0.5 of higher.

| Weight   | Formative Assessments (practice) | Weight | Summative Assessments (mastery)        |
|--|----------------------------------|--------|--|
| 25%  | Homework                         | 75%    | Assessments (quizzes, tests, projects) |
| *The Midterm and Final Exams are worth 20% of the student's overall grade for the course |                                  |        |  |

**Skyward:** Finally, parents can check grades on Skyward. I check my email throughout the school day – PLEASE send me a note if you have any questions or concerns.

**Thank You!** I look forward to working with your family this school year to ensure your student's success!

## **Student & Guardian Information and Agreement**

I hereby acknowledge that I have thoroughly read and understand the expectations set for me by my teacher. I will strive to meet this expectation every day to the best of my ability, and should I not meet them, I understand the consequences I will receive.
